

Life Activation & Balancing

Activating your spiritual blueprint, awakens your divine potential in your physical body.

What does that mean?

- *Enables you to bring in and hold more Light (positive energy) in your physical body*
- *Empowers you to maximize your potential to bring forth unrealized talents and abilities*
- *Gives you more energy and clarity*
- *Assists in releasing of unconscious patterns (old emotional traps)*
- *Increases your ability to use more of your brain*
- *Facilitates clearing of family and genetic karmic patterns*

In addition to the Life Activation, this session also includes several energy balancing, alignments and activations to help you achieve a sense of peace and connection between your mind, body and spirit.

- *Central Core Balancing*
- *16 Lotus Petal Awakening*
- *Elemental and Magnetic Line Balancing*
- *Chakra Balancing*
- *Negative Crystal Removal*
- *Discussion of findings*

Rose Lortie

- * *Teacher / Guide at MMS*

The Gateway to Healing

Teaching, Healing & Clearing Services to assist you with the upcoming shift in 2012, and help you find a healthier lifestyle while opening up to your Spiritual Abilities

Step through the gateway and illuminate your soul

Emotional Cord Cutting

There are energetic cords that connect us to everyone in our lives, past and present. Through these energetic cords, other people can "pull" on your energy, leaving you feeling tired and off-center.

The Emotional Cord Cutting, performed by an appropriately trained Ritual Master, disconnects these emotional cords so you stop losing energy to other people. Thereafter, appropriately setting and holding your emotional boundaries will help you stay free from further cording.
